MANDATORY EVENT CHECK-IN: There will be separate check-in areas for running events and field events. All running event athletes will enter the track at the NORTH GATE ONLY. Field event athletes should check in at the field event area located just north of the stadium at the field event clerking tent. Throwing field event athletes must then move to the THROWS AREA which is across the pedestrian bridge over Marsha Sharp Freeway. All athletes must check in at these designated areas a minimum of 45 minutes prior to the event's scheduled starting time.

EVENT SCHEDULING CONFLICTS: When athletes are in two or more events at the same time, they must check in at each event, obtain permission to be excused from the Head Event Official from one event, and return to any event before the conclusion of all preliminary or final attempts, whichever the case may be. See the Youth Section of the USATF rulebook, Page 182, Rule 302(5)(p). It is very important that you advise the Head Officials overseeing events in which you may have a potential schedule conflict, particularly conflicts with throwing events due to the distance of the Throws Area from the main track facility.

IMPLEMENT WEIGH-IN: Please inquire at packet pick-up for weigh-in instructions.

COMPETITION BIB NUMBERS: Bib numbers will be distributed to athletes in their packets. All athletes must wear their assigned bib numbers on the front of their jerseys during the competition. **Lost bibs may be purchased for \$10 at the ticket booth.**

EVENT RESULTS: During the competition, event results will be posted on the wall underneath the stadium seating area. In addition, the event results will be posted following the competition at www.usatfwesttexas.com.

COMPETITION RULES: USATF Competition Rules will be enforced.
